## **COMMENTS:**

Dear Examiner Einsmann,

This response is timely and should be entered without need of any extensions. Yesterday, June 13, 2002, four (4) attempts were made to file this response with the USPTO. The fax transmissions would not go thru, thus we are reattempting today. Please find copies of the four (4) attempts attached to the current attempt. If you have any questions, or need any additional information, please contact my assistant, Annya Dushine, at (408) 746-4592.

Regards, Luisa Bigornia
